

1 YOUR VIP PASS TO: PAPHOS CYPRUS

It's *the* über-hot place to head to at the mo – Christy Turlington and Kate Winslet are both huge fans. And who can blame them? With its infinity pool and blazing sunsets, The Asphodel Spa at the Azia Blue resort is pretty amazing. Think lying on an open-air massage table, being pampered with Elemis Lime and Ginger Salt Glow Scrub. And if you can be bothered to open your eyes, you might see super-fit actress Neve Campbell getting a deep-tissue rub next to you, or maybe you'll bump into her later in the Amethyst Steam Bath. Make friends with her

and the rest of the celeb types, then when you've finished your hard work in the jacuzzi, gym and infrared healing sauna, you can all hang out for cocktails. **BOOK IT, LIKE, NOW!** Staying at the Azia Blue (aziareSORT.com) costs from £66 per person per night. Book bed and breakfast in September or October and you'll get lunch or dinner every day for free. Plus, all guests booking a spa treatment receive a complimentary massage. Flights to Paphos from the UK start from £79 return, check out cheapflights.co.uk for the best deals. ▷
